### IMPORTANT NOTICE

In the transfers comment field you need to put your **Neptun code** (not your network id!) in NK-Neptun code format **and your name!** (e.g.: NK-AB1234 John Smith). Please write your Neptun code in upper case, and be careful not to change the following characters: O-0, I-1, Z-2, U-V, H-4 , etc. You should place money to your Neptun account at least 3 working days in advance, as it takes time to process your payment and credit to your student account. (Only if comment field is correct.)

If the transferred amount does not appear on your Neptun account within one working day, please write an email to the address below:

Your email should contain the following data: your name and Neptun code, date and amount of transfer, source bank account number.

Placing money to your Neptun account does not mean you made the necessary payments! You should fulfill your payment obligations under the „Finances” menu. (More details: [neptun.unideb.hu](#), Login, Student, "Letölthető dokumentumok", [paying\\_via\\_neptun-1\\_2021-08-02.pdf](#))
